FACTS LIKE THIS SHOULD BE GLIED

QUOTE OF THE MONTH: The Prince George's County Liquor Board has banned punk-rock concerts in the University of Maryland area because "We're against punk rock that leads people out into the street, causing trouble, defecating, urinating and fornicating." The board defined punk as "music played at a high-decibel level." Come on, folks, does that include Tchaikovsky's 1812 Overture?

STATE / DISMISSLE / APRIL 9, 1983
G.O.C. / CAPITOL PUNISHMENT / STATE HOUSE

THE STATE opened the party with a brief set which included "no illusions" FUCKING HOT!!! the music was of mike cable snapping intensity. Preston broke 2 i think. the set was so chaotic that you werent sure what what was going on. But all the songs were cool. Art has to be the heaviest guitar player around.

on again — G3

GUARDIANS OF CHAOS played next. An open mike was set up for the choir boy chorus Great thrash! these guys are quick! Trevor looked like he was going to explode singing and playing drums at the same time. These guys only get better ROLLER COASTER RIDE!! EXCUSE ME WHILE I BEAT UP HI!

Most Improved band this week is DISMISSLE they have doubled there set since the last time i saw them. Jamie only broke one mike cable during the set. I guess 3 mike cables got broke during the whole show BUT... ANYWAYS hellish thrash man ALEX RULES ALL!!!! this band is my favorite.

So this was CAPITOL PUNISHMENT'S first show. Not bad. Hope to see more of them soon. — keep PRACTICING DUDES.

SKATE BENIFIT APRIL 1 HAIFASS
E.Q.

SO A² HAD A SKATE BENIFIT. BIG DEAL. WHEN THE WHOLE PROJECT STARTED IT WAS THE PLAN FOR ALL THE BANDS TO PLAY FOR FREE SO WE COULD USE THE MONEY TO BUILD A HAIR PIPE RAMP. WELL IT WASN'T. SOME OF THE MEMBERS OF THE BANDS SUDDENLY DECIDED THAT THEY WANTED SOME OF THE MONEY FOR THEMSELVES, SO THE RAMP FUND ONLY GOT ABOUT \$30.00. ANYWAY THE SHOW ITSELF WAS PRETTY GOOD. AT FIRST WE COULD ONLY HAVE 2 BANDS PLAY BECAUSE OF SOME STUPID HAIFASS RULE THAT THEY SUDDENLY STARTED TO ENFORCE. BUT WE CONVINCED THEM TO LET 3 BANDS PLAY. WELL THE NIGHT OF THE SHOW WE GOT DISMISSILE TO PLAY TOO. THEY WERE GREAT. SOMETIMES YOU COULD EVEN UNDERSTAND JAMES, VOCALS. THE BAND PLAYED AND SOUNDED GREAT.

3D JESUS PLAYED NEXT HAHA! WHAT A SHOW. A BUNCH OF PEOPLE GOT BLESSED, A COUPLE GOT SAVED, AND ART SAW A MIRACLE WHEN J.B. KISSED HIS HAND. THE SONGS WERE HIGHLY AND ENERGETIC. IT CAME OFF REAL WELL. WHAT A BUNCH OF SMARTASSES. THE FUN, VARIABLES PLAYED NEXT AND ALL THE GIRLS DANCED TO THEM. I GUESS THEY ARE THE FEMALE FAVORITES. WHAT I SAW OF THEM WAS REAL GOOD. THE LUNATICS GRACED THE STAGE NEXT WITH THEIR HITS. DISPUTE HAD PROBLEMS. THEIR SET WAS GOOD. DURING "THE MUSKERS" THEMESOME LOCAL SKATERS ADAM AND TOMMY DID OUTRAGEOUS FOOTPLANTS ON THE SPEAKERS. WHAT WOULD HAPPEN?

NUCLEAR WAR:

Washtenaw County Resident

The Washtenaw County Office of Emergency Management is responsible for disaster plans and responses in Washtenaw County. One possible disaster is a nuclear strike on Washtenaw County. Ann Arbor and the surrounding area are targeted because of its size.

In the case of natural disasters (tornadoes, floods) and most human-made emergencies (fires, chemical spills) it is possible to rush help, supplies, and expert personnel to the stricken area from the outside. These disasters are manageable because the damage, though great, is limited in time and place; and there exist intact communities with the necessary available resources to be called upon.

By contrast, the effects of a nuclear strike could be virtually unmanageable; any surviving human or material resources would be instantly overloaded. Little, if any, help could come to any community from the "outside". Medically, there is little that could be done for many of the victims.

Thus, in the event of a nuclear attack, WE WILL NOT BE ABLE TO ASSIST YOU IN THE SAME DEGREE WE DO IN RESPONSE TO OTHER DISASTERS.

The administration says the 10-warhead MX is needed to replace the Minuteman missile because the 1,000 Minutemen, the backbone of America's land-based nuclear deterrent, are vulnerable to a first strike by increasingly accurate Soviet missiles.

More than 30 MX plans have been studied and rejected since the weapon was first proposed a decade ago.

Even before the latest plan was formally proposed, it was the subject of congressional criticism.

Sen. Ernest Hollings, D-S.C., a leader of the successful fight against MX production money last month.

SKATE OR BE SKATED ON!

SO THERE ARE A FEW SKATERS IN YPSI. ALSO A
FEW GOOD PLACES TO SKATE. HURTT RD. NEXT TO
YPSI HIGH SCHOOL OFFERS A GOOD DOWNTOWN RUNS.
ONE GOING EACH WAY. ALSO AT THE CHURCH ON
HURTT HAS A REAL NICE FREESTYLE AREA. STEPS,
CURBS, AND A SWEEPING PARKING LOT ARE SOME OF THE
FEATURES. WE BUILT A SMALL QUARTER PIPE AT THE
TENNIS COURT AT CLUBBEN PARK BUT THE PARK
OFFICIALS (ASSHOLES) TORE IT DOWN AFTER ONLY A FEW
DAYS. NOBODY EVER PLAYS TENNIS THERE BUT A COUPLE
OF JOCKS FAES. → SO WE RELOCATED TO BURNS

PARK (THE ONE IN YPSI) AND REBUILT THE QUARTERPIPE THERE.
BUT LACK OF WALLS PREVENTED A SKATE CONSTRUCTION
SO SOME OF THE LOVELY LOCAL CHILDREN WOULD TRIP IT
DOWN EVERY TIME WE WEREN'T THERE. MAYBE NEXT

TIME IT WILL CRUSH SOME LITTLE KID SO THEY'LL
LEAVE IT ALONE. BUT SKATE WE MUST SO THE
RAMP KEEP GETTING BUILT. BUT IT WONT COME DOWN
AGAIN!

YPSI Doesn't Rule

SATURDAY SKATE SESSION.

APRIL IN ANN ARBOR

I woke up saturday morning and the first thing I said was "Mom is it raining out?" she said "no its beautiful out!" Well sheeeet! just what was needed because today was the unveiling of my new quarter pipe. Me and Jeff built a portable quarter pipe that fits into my van. The dimensions are 8feet wide and 8feet tall with almost a foot of vertical. Well me and Tom Hartwell and Tony Custodio set the beast up in a parking lot on north asaley about noon and proceede to SKATE. After about an hour about 10 skaters showed up MAN IT WAS GREAT!! A few skaters could jam, but many were beginners who never skated a ramp before. But that was cool cause everybody gave it a shot. The SNAKE was going wild!! → We kept the ramp up about 9 hours that day and at almost any giving time there were 10 to 15 skaters hanging out. Over all it was a great day dispite a few injuries that occurred. I want to set it up every weekend somewhere. So if you've got a spot to put it (preferably a sloping parking lot) than give me a call at 483-8840

KEEP SKATING,
